7 IT IS HEREBY STIPULATED by and between the parties hereto through their  
8 respective counsel, that the case be scheduled for a status conference that is anticipated to  
9 convert to a change of plea hearing on **June 1, 2023, at 9:00 a.m.**

10  
11 This matter was reassigned to the Honorable Daniel J. Calabretta on April 4, 2023. The  
12 previously set hearings and trial date were vacated and the parties were directed to confer and  
13 reschedule for a future date. Dkt. at 106. The parties request a status conference be set for June  
14 1, 2023, with the hopes of converting the hearing to a change of plea if a resolution agreement  
15 can be reached, or in the alternative Mr. Tamblyn elects to plead without an agreement. Counsel  
16 for both parties are currently conducting legal research and evaluating facts to determine whether  
17 two Sentencing Guidelines offense characteristics apply. Based upon that research and  
18 evaluation, defense counsel needs time to meet with her client to discuss the options available to  
19 him.

Based upon the foregoing, the parties agree that the ends of justice are served by resetting the change of plea hearing outweigh the best interest of the public and the defendant in a speedy trial. Therefore the parties agree that time is excludable through June 1, 2023, pursuant to 18 U.S.C. § 3161(h)(7)(A), (B)(iv) (Local Code T4).
